8. We have also examined compliance with the applicable clauses of the Secretarial Standards issued by the Institute of Company Secretaries of India. Please also see para F below-

B. During the period under review the Company has, in our opinion, complied fully/partially with the following:

i. The provisions of the Companies Act, 1956 (which are still in force) and the Companies Act, 2013, the Rules made there under, the Memorandum and Articles of Association of the Company, as well as the Guidelines and Standards mentioned above, except that the shares remain in physical mode.

ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') –
As informed by the Board, the Company's Equity Shares, which were listed on the Bombay Stock Exchange (BSE) have been suspended from trading since 2002 for non payment of fees, failure to Dematerialise the securities and continue to remain suspended.

As the entire share capital is in physical mode, post 1.4.2019, no transactions can take place in such shares.

iii. The provisions of Depositories Act, 1996/2018 and Regulations –

The Company had entered into tripartite agreement with CDSL/NSDL and an RTA- M/s Sharex in 2000, but could not pay any of the charges and fees and the contract was finally annulled in 2008.

Since then, the entire shareholders data is managed in house in Physical mode. It has no Depository or RTA as the shares are not Dematerialised. The company contends that in the circumstances, the D & P regulations/act are not applicable to the company.

As on 31-03-2023, there were no pending requests/complaints with the SEBI/BSE in regard to non- receipt of share certificates.

iv. Foreign Exchange Management Act, 1999 etc. – Not applicable since the Company has no business since many years and has no transactions involving foreign exchange.

C. The Compliance with SEBI regulations applicable to the company is as follows:-

Sr. No	Regulation under SEBI Act	Current position
1.	LODR Regulations 2015	Company has complied with the provisions of the SEBI (LODR) regulations substantially in regard to technical compliances with BSE. However, the main requirement of “Dematerialization of securities” has not taken place. Its entire share capital including Promoters equity is in Physical Mode. Company had attempted dematerialization in year 2000 when it signed tripartite agreement with Sharex (RTA), CDSL and NSDL. As informed to us, however, it could not pay their charges and all the three agencies stopped co-operation with the Company. The agreement was formally terminated in 2008. As its entire share capital remains in physical mode, member’s register maintenance etc. is managed in house in terms of Reg. 7 of SEBI – LODR. The Company is regular in filing all other applicable compliances under the Listing Agreement such as Financial Results, Corporate Governance, investor grievances redressal etc The BSE has issued the “Initial Public Notice” for Compulsory Delisting of the equity shares under Chapter V of SEBI (Delisting of Equity Shares) Regulations 2009 on the 24th June 2023. As informed by the Board, the Company is not in a position to pay the fees for revocation of suspension, listing fees with arrears and interest, dematerialization fees including arrears since year 2000 etc. (which are estimated to exceed Rs.1 cr.) and hence opted not to contest the action initiated by the Exchange.
2.	Substantial Acquisition of Shares and Takeovers (SAST) Regulations, 2011	As informed by the Board, the shares of the Company are not tradable being in physical mode. There are no transactions to report under the SAST Regulations.
3.	Prohibition of Insider Trading (PIT) Regulations, 1992 and SDD maintenance	As informed by the Board, there is no trading in Co.’s shares since 2002 when it was suspended by BSE. No trading is also permitted in physical shares since 1.4.2019. As informed by the Board, there were no instances to report under the PIT Regulations. As already stated, the Company has no business and is practically a “Defunct Company” existing only on paper. As informed by the Board, as there is no business, no UPSI is generated. Further, as there is no trading in its shares, the question of Insider Trading does not arise. PIT regulations are therefore not applicable.
4.	Registrars to an Issue and Share Transfer Agents (RTA)	As informed by the Board, the Company is maintaining the Member’s Register in house in terms of Reg. 7 of SEBI – LODR

	Regulations, 1993	
5	Delisting of Equity Shares (Delisting) Regulations, 2009/2021	Company has not sought Delisting. As informed by the Board, the BSE has initiated Compulsory Delisting of Co.'s shares. The Initial Public Notice for Compulsory Delisting was published by the BSE in national and local newspapers on 24th June 2023. Company has not contested the same. Final order from BSE is awaited.
6	Cir. instructions vide CIR/MRD/DP/10/2015 dated 05.06.2015	As informed by the Board, as the Company's shares are in physical mode and it has no Depository relationship or connectivity, the circular for maintaining Database of Distinctive Numbers (DN) cannot be complied with/not applicable. The entire shareholder data is available with the Company.
7	Company's (Significant Beneficial Owners) Rules 2018	No disclosures were made to the Company under these during the period under review.

CHARTERED ACCOUNTANTS

INDEPENDENT AUDITOR'S REPORT

**To the Members of
INDITALIA REFCON LIMITED**

Report on the Ind AS Financial Statements

Opinion

We have audited the accompanying Standalone Financial Statements of **INDITALIA REFCON LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2024 and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024 and its profits (including other comprehensive income), the changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Ind AS Financial Statements in accordance with the Standards on Auditing specified under Section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Material Uncertainty Related to Going Concern

We draw attention to Note 17 (xiv) of the financial statements regarding the preparation of accounts on "Going Concern Basis". The company have accumulated losses which in result eroded the entire net worth of the company and the liabilities of the company has exceeded the assets of the company as at Balance sheet date. There is no business activity in the company during the year which clearly indicated the existence of material uncertainty that may cast significant doubt on the company's ability to continue as a going concern. However, the financial statements of the company have been prepared on a going concern basis for the reasons stated in the said note.

Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Other Information

The other information comprises the information included in the Annual Report, but does not include the standalone Ind AS financial statements and our auditors' report thereon. The Company's Board of Directors is responsible for the other information.

Our opinion on the standalone Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the standalone Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Ind-As Financial Statements

The Company's Board of Directors are responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company's Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Ind-AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind-AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with

relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 2(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of **INDITALIA REFCON LIMITED** on the financial statements for the period ended on 31st March, 2023)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Inditalia Refcon Limited** (“the Company”) as of March 31, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company are responsible for establishing and maintaining internal financial controls based on the “internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the size of the company along with explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, "based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India".

- A reliable estimate of the amount of the obligation can be made.

Reimbursement of the expenditure required to settle a provision is recognised as per contract provisions or when it is virtually certain that reimbursement will be received.

Assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

1- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities

2 -Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

3 -Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The Company also compares the change in the fair value of each asset and liability with relevant external sources to determine whether the change is reasonable.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

x **FINANCIAL INSTRUMENTS**

1) Financial assets NIL

2) Financial Liabilities

A Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, or as payables, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of financial liability not recognised at FVTPL, transaction cost that are attributable to the acquisition of financial liability. The subsequent measurement of financial liabilities depends on their classification, which is described below

B Subsequent measurement Financial Assets

i) Financial liabilities at Amortised Cost

Financial liabilities at amortised cost represented by trade and other payables, security deposits and Loans etc are initially recognized at fair value, and subsequently carried at amortized cost using the effective interest rate method. Under the effective interest method, the future cash payments are exactly discounted to the initial recognition value using the effective interest rate. The cumulative amortization using the effective interest method of the difference between the initial recognition amount and the maturity amount is added to the initial recognition value (net of principal repayments, if any) of the financial liability over the relevant period of the financial liability to arrive at the amortized cost at each reporting date. The corresponding effect of the amortization under effective interest method is recognized as interest expense over the relevant period of the financial liability. The same is included under finance

ii) Financial liabilities at FVTPL

The company has not designated any financial liabilities at FVTPL.

C De-recognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a derecognition of the original liability and the recognition of a new liability, and the difference in the respective carrying amounts is recognised in the statement of Profit & Loss.

xi **BORROWINGS**

Borrowings are initially recognised at net of transaction costs incurred and measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the Statement of Profit and Loss over the period of the borrowings using the effective interest method.

Interest Free Borrowings are recognised at carrying cost whose period of repayment is uncertain or undefind. The Company has measured the borrowings from directors at cost in the financial statements.

xii EMPLOYEE BENEFITS**(i) Short-term obligations**

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in Profit & Loss account in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.

xiii CASH FLOW STATEMENTS

Cash flows are reported using the indirect method, whereby profit / (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

xiv GOING CONCERN ASSUMPTION

The company have accumulated losses which in result eroded the entire net worth of the company and the liabilities of the company has exceeded the assets of the company as at Balance sheet date. There is no business activity in the company during the year which clearly indicated the existence of material uncertainty that may cast significant doubt on the company's ability to continue as a going concern. However, the financial statements of the company have been prepared on a going concern. The company has started exploring the future plans for carry out business operations in the F.Y.2024-25.

xv ROUND-OFF

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

- xvi** The accounting policies that are currently not relevant or material to the company have not been disclosed. When such accounting policies become relevant or material and have significant impact, the same shall be disclosed.
